This Master Commercial Lease and IT Services Agreement (the "Agreement") is made and entered into effective as of this 30th day of March 2026, by and between:

AND

Beta Solutions, a limited liability company organized under the laws of California, having its registered office at 200 Innovation Drive (hereinafter referred to as the "Lessee").

WITNESSETH:

WHEREAS, the Lessor is the lawful owner of the commercial property and the associated IT infrastructure described herein;

WHEREAS, Alpha Corp is a subsidiary of Omega Holdings, which provides corporate oversight and financial backing;

WHEREAS, the principal corporate office of Beta Solutions is located in Silicon Valley, California;

WHEREAS, the Lessor desires to lease the premises and provide IT services to the Lessee, and the Lessee desires to lease such premises and procure such services from the Lessor, subject to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

ARTICLE 1 - DEFINITIONS AND INTERPRETATIONS

Section 1.1 "Premises" shall mean the commercial office space comprising approximately 50,000 square feet on the 4th and 5th floors of the Tech Hub Building, including all fixtures, fittings, and common areas.

Section 1.2 "IT Services" shall mean the provision of data center access, server maintenance, and network security as outlined in Schedule A.

Section 1.3 "Effective Date" shall mean the date first written above.

ARTICLE 2 - GRANT OF LEASE AND LICENSE

Section 2.1 Subject to the conditions of this Agreement, Alpha Corp leases to Beta Solutions the Premises for the duration of the Term.

Section 2.2 In conjunction with the physical space, Alpha Corp grants a license to Beta Solutions to utilize the proprietary data management software installed on the local servers.

Section 2.3 The Lessee agrees that it shall use the Premises solely for lawful business operations and software development.

ARTICLE 3 - TERM AND AUTO-RENEWAL

Section 3.1 The initial term of this Agreement shall commence on the Effective Date and shall continue in full force and effect for a period of sixty (60) months (the "Initial Term").

Section 3.2 Upon the expiration of the Initial Term, this Agreement shall automatically renew for successive two-year periods. Such auto-renewal shall occur without any further action required by either party, unless either the Lessor or the Lessee provides formal written notice of its intent not to renew at least one hundred and eighty (180) days prior to the expiration of the then-current term.

ARTICLE 4 - FINANCIAL OBLIGATIONS AND PAYMENTS

Section 4.1 In consideration for the lease and services provided, Beta Solutions shall pay Alpha Corp a monthly base rent of $150,000 USD, payable in advance on the first business day of each calendar month.

Section 4.2 Omega Holdings provides funding to Alpha Corp for the continuous upgrade of the IT infrastructure. Accordingly, the Lessee shall not be billed for routine hardware replacements.

Section 4.3 In the event of late payment, Beta Solutions shall be liable for an interest charge of 1.5% per month on the outstanding balance.

ARTICLE 5 - SUBCONTRACTING AND AGENCY

Section 5.1 The Lessee acknowledges that managing a facility of this size requires specialized maintenance. Therefore, Beta Solutions subcontracts to Gamma Industries for all janitorial and HVAC maintenance services.

Section 5.2 For the purposes of customs clearance and importing specialized server equipment, Delta Logistics acts as agent for Beta Solutions. The Lessor shall grant Delta Logistics reasonable access to the loading docks.

ARTICLE 6 - INTELLECTUAL PROPERTY AND DATA OWNERSHIP

Section 6.1 Nothing in this Agreement shall be construed as a transfer of intellectual property rights. Epsilon Tech owns the intellectual property of Beta Solutions, including all proprietary algorithms developed on the Premises.

Section 6.2 The Lessor expressly acknowledges that it has no claim, lien, or right to inspect the encrypted data stored by the Lessee on the leased hardware.

ARTICLE 7 - REPRESENTATIONS, WARRANTIES, AND INDEMNIFICATION

Section 7.1 Alpha Corp represents and warrants to Beta Solutions that the Premises are fully compliant with all local, state, and federal zoning, environmental, and safety regulations.

Section 7.2 Beta Solutions shall indemnify Alpha Corp and hold it harmless against any and all claims, lawsuits, liabilities, and expenses arising out of the Lessee's specific business operations, employee conduct, or gross negligence on the Premises.

ARTICLE 8 - LIMITATION OF LIABILITY

Section 8.1 Notwithstanding anything to the contrary contained in this Agreement or elsewhere, the maximum aggregate liability of either party for any breach, default, or claim arising out of or relating to this Agreement, whether in contract, tort, or otherwise, shall be strictly capped.

Section 8.2 Such liability shall not exceed the total amount of base rent actually paid by the Lessee to the Lessor during the twelve (12) month period immediately preceding the event giving rise to the claim. Under no circumstances shall either party be liable for indirect, punitive, or consequential damages.

ARTICLE 9 - CORPORATE RESTRUCTURING AND MERGERS

Section 9.1 This Agreement shall be binding upon the successors and permitted assigns of both parties.

Section 9.2 In the event that Theta Inc merges with Alpha Corp, the surviving corporate entity shall assume all obligations, rights, and duties of the Lessor under this Agreement without interruption to the Lessee's tenancy.

Section 9.3 Furthermore, it is disclosed that Zeta Corp entered into a joint venture with Beta Solutions to co-develop the cloud architecture hosted on the Premises.

ARTICLE 10 - TERMINATION CONDITIONS

Section 10.1 Either party may terminate this Agreement without cause by providing a minimum of ninety (90) days prior written notice to the other party.

Section 10.2 In the event of a material breach of any term or condition of this Agreement, the non-breaching party may terminate this Agreement immediately if the breaching party fails to cure such breach within thirty (30) days of receiving formal written notice specifying the nature of the breach.

Section 10.3 In the event of termination, the Lessee shall vacate the Premises and return all licensed software within fifteen (15) days.

ARTICLE 11 - GOVERNING LAW AND DISPUTE RESOLUTION

Section 11.1 This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to any choice of law principles.

Section 11.2 Any dispute arising under this Agreement shall be resolved through binding arbitration in New York City, administered by the American Arbitration Association.

IN WITNESS WHEREOF, the parties hereto have caused this Master Commercial Lease and IT Services Agreement to be executed by their duly authorized representatives as of the Effective Date.
